## FAVORS STREET PAVING.

Dr. A. H. Wall Gives His Views On the Matter.

Anent the conditions of the streets just now, Dr. A. H. Wall sends the following communication:

Editor of The Ledger: I owned 33 lots in the city of Chicago. They made me pay to the middle of the street and build sidewalks in front of every lot, since which time the whole city is taxed to keep them in repair. Where is the injustice to compel all on Second street to pave their part of the street in front of their property? To tax the whole city would be wrong in the beginning, but no injustice to the owners on Second street to pave in front of their property.

A. H. WALL.
